**September 2020**

Hi Neighbors,

We are beginning September with a new management company, a revised newsletter and much hope for the future!

## Board News

A new website has been set up by David Floyd & Associates for the HOA - [RiverPlantation2.org](http://RiverPlantation2.org). Our new property manager, David Floyd, III can be reached by emailing [RiverPlantation2@gmail.com](mailto:RiverPlantation2@gmail.com) or 615-297-2824.

A number of homes have vines growing up the siding of the unit, usually in the back. These vines need to be removed in their entirety because the tendrils they use to cling to the siding and actually penetrate the wood itself. Over time, water will get into the wood siding and it will rot. Please help protect the homes in our community and remove these vines. Thank you.

The next Board meeting is scheduled for Monday, September 14 (the second Monday since the first one is Labor Day), 2020 at 6:00 PM at the Clubhouse. The meeting will be open to all Residents but the total number of attendees at any one time will be restricted to 25.

Just for fun!

Little Johnny went to the Post Office with his Grandma. He looked up at the pictures of people on the walls and asked his Grandma "Granny, what are those people's pictures for?" His Grandma said "Those are bad people that the Police are trying to find." Little Johnny said "Well why didn't the Police just keep them when they were taking their pictures?"
