**March 2021** - Spring is almost here! Time to get things spruced up! If you have an interest in planting flowers around our community, please contact Barbara Valentine at 914-705-3720 or Tom Stocker at 615-585-1084.

Please stay safe, continue to wear your masks, wash hands and social distance. Now is not the time to let down our guard! Hopefully we can get back to a new normal soon! Special thanks to all the health workers, front line personnel and those who face the public each day. We appreciate all you do!

## Board News

\*The Flock Safety system has been live, but we are having some issues currently (likely related to the ice storm). We have contacted Flock to get this resolved.

\*At this time, the wood repair project is complete with the exception of punch list items. There are still some carport water diverters that Don Kennedy Roofing needs to install for that project, and this should be completed very soon.
