Summer is here in full force! Please be careful in this hot weather. See safety tips below. We are creating a "Welcome Wagon" to welcome new neighbors. Please let me know if you would like to be a part of this group - kmporter400@gmail.com

Board News

As everyone can see, lots of repair work being done on the sheds. The next big step is painting the sheds. At the June board meeting, community involvement was encouraged by the board. This means the board would like your opinion on the two colors they will pick. The sheds at 100 and 101 will be painted with each color soon. Please let the board know your preference. As always, all community members are welcome to attend the board meetings - third Monday of each month at 6 pm. Your community involvement makes RP2 a better place to live!
